DETAILED ACTION

Claim Rejections - 35 USC § 103

1. Claims 1-5, 7-10 are rejected under 35 U.S. C. 102(b) as anticipated by or, in the alternative under 35 U.S.C. 103(a) over Bois as discussed in paragraph 2 of the last office action.

2. Claim 10 is rejected under 35 U.S.C. 103(a) as being unpatentable over Bois as discussed in paragraph 4 of the last office action.

3. Applicant's arguments filed 1/26/2004 have been fully considered but they are not persuasive. The examiner first notes that although the claims are interpreted in light of the specification, limitations from the specification will not be read into the claims. See in re Van Geuns, 988 F.2d 1181, 26 USPQ 2d 1057 (Fed Cir. 1993). The claims are construed in a broad context. In this case, the strip 70 is attached to the sides of the bag, which reads on the claim of being attached to a substrate. Furthermore, applicant argues that strip 70 is attached to the sides of the mouth of the bag and not to the bag itself. Regardless, the examiner contends that the mouth of the bag is part of the bag.

Regarding the faster being free for movement relative to the bag. There is no limitation regarding the movement being "relative to the bag". The fastener in Bois is free to move as claimed since the fastener can mate with its complement and disengage to open the bag.

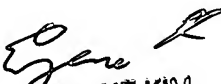

4. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
